

LOTUS BORNE PERCEPTION RETREAT
LAMA DRIMED AND SUSAN HARPER
SEPTEMBER 6 -13, 2019 ESALLEN, BIG SUR, CA

In this retreat
Lama Drimed
and
Susan Harper
open a
multi-dimensional
inquiry
into our
spiritual,
somatic,
and creative
human capacity.

Recognizing
our natural state
of awareness
as a foundation,
we will explore
a dynamic range
that includes
meditative stillness,
fresh perceiving,
movement and
sounding, which
opens a vital flow
of creativity.

WHAT WILL WE DO?

Lama Drimed offers awareness teachings from the Dzogchen tradition. Our natural state is recognized to be all-inclusive awareness. We awaken to the fresh perception of this moment—the natural aliveness that is our birthright. This is the essence of the ancient tantric ways that celebrate the unfolding of our life as sacred.

Susan opens imaginal, perceptual portals and offers exploratory movement dives which include textured breathing and sounding. These are creative contexts of awakening in which we build somatic resources of nourishment and renewal. We melt into Awareness and restore in spacious Silence.

Lama Drimed and Susan offer perceptual practices to open ways that we pay attention, listen, and speak about our experience. They both share an innovative teaching style, and are open and attentive to each participant's process of discovery, and to the group process.

Many of our explorations will take place outside in nature where we explore the elemental affinity between our bodies and the living lineage of our breathing planetary body.

LAMA DRIMED offers awareness teachings from Great Perfection/Dzogchen and Tibetan Vajrayana Buddhism. His Tibetan teacher, Chagdud Tulku Rinpoche, a true Dzogchen lineage holder, recognized Lama Drimed as his lineage holder in 1995. After years of intensive spiritual retreat, he is now collaborating with psychological and somatic teachers. His vision is to open dialogues that include current discoveries and the ancient tantric arts. The expression of this alchemy is creative, free, and relevant for our time.

SUSAN HARPER is a heart-soul-counselor and inspired teacher of perceptual and movement inquiry, teaching Continuum since 1975. She has the ability through demonstration of sounds, breaths, and movement to transmit a primal and spiritual fluidity that inspires participation resulting in embodied innovative discoveries.
