

# MAY 27 - 30, 2019 SUSAN HARPER CHAPEL HILL, CA CONTINUUM MOVING INQUIRY WORKSHOP

## SPIRIT OF INQUIRY

Come participate in the adventure of who you are becoming, dissolve what is no longer needed, and allow for the emergence of something utterly new to take place.

## IMAGINAL PASSAGEWAY

There is an imaginal passageway for souls like us, who tend the space-creating force of love, revealing heart gifts, yearning to be known and blessed; ready to blossom, and contribute to our shared world.

## WHAT WILL WE DO?

In exploratory 'dives', we transform through gentle breathing, primordial vocalizing, and engage a multi-faceted movement range that is soulful, dynamic, and subtle. Treat yourself to a luxurious time of moving, meditating, musing, and dancing in a self-regulating process that is nourishing, and organismically wise. We listen in Awareness and restore in spacious Silence.

Through perceptual exercises and experiential anatomy, we deepen our relationship with gravity and perceptual spatial orientation.

This gives us the physical and emotional backing to take risks and meet creative challenges.

We bring our consciousness to our core—where we take in impression through perception, and where we non-verbally express our inner state, our needs and our love.

The process of intimate discovery opens possibilities and births new ways of participating.

**SUSAN HARPER** is a heart-soul-counselor, creative instigator, and inspired teacher of perceptual and movement inquiry, teaching Continuum since 1975. She has the ability through demonstration of sounds, breaths, and movement to transmit a primal and spiritual fluidity that inspires participation resulting in embodied innovative discoveries.

Hubert Godard, Michael Meade, and Lama Drimed inspire this theme. Continuum Teacher, **REBECCA LAWSON** will also teach in this workshop.
