

SUSAN HARPER

CONTINUUM WILDERNESS DEPTHS RETREAT

JUNE 15 - 22, 2019 BUCKHORN SPRINGS ASHLAND, OR

In a Continuum
Depths Retreat
we dive in mystery
magic and
healing happen,
outworn skins shed,
and we emerge
with a deeper sense
of creativity and love.

Treat yourself to a
luxurious time of
moving, meditating,
musing and dancing
in a self-regulating
process of discovery.

With innovative
perceptual inquiry
we dwell in the
surrounding
wilderness.

We offer our
whole-hearted
attention
and receive the
astonishing
nourishing gifts
of nature.
We meet what is
wild all around us
and what is
wild within.

WHAT WILL WE DO?

In deep long movement dives, we slow down, and transform through gentle breathing, primordial vocalizing, and engage a multi-faceted movement range that may be both dynamic and tender. We explore the intelligent dynamics of the elements—water, air, fire, earth, and space—in our bodies; deepening our inherent connection to the wild breathing planetary body. We melt and restore in spacious Silence.

This retreat includes a "soul quest" time where we are in collective silence for two day.

SUSAN HARPER opens portals of exploratory consciousness. She has the ability through demonstration of sounds, breaths, and movement to transmit a primal and spiritual fluidity that inspires participation, resulting in embodied innovative discoveries. She teaches internationally and has been contributing to Continuum since 1975, and has taught 100s of Continuum Depths Retreats. Hubert Godard, David Whyte, Michael Meade, and Lama Drimed have also inspired the themes in this work.

Buckhorn Springs Retreat Center offers a beautiful hand-crafted meeting room, garden grown meals, and mineral springs in a stream that runs through acres of forests and meadows. This is an ideal indoor and wilderness setting for a Continuum Wilderness Depths Retreat. Ours is the only event happening at Buckhorn. Preference given for experienced Continuum participants.
