

SUSAN HARPER
MYSTERY DEPTHS RETREAT
OCTOBER 31 - NOVEMBER 5, 2020 KOYASAN, JAPAN

This Mystery Depths retreat awaits those who love to inquire, who dare to listen at the edge and in the depths—to be in the frontier conversation—who are aware of the adventure of courting the unknown.

Treat yourself to a luxurious time of moving, meditating, musing, and dancing in a self-regulating process that is nourishing, and organismically wise.

We refine our ability to sense intrinsic movements and the fluid forces of creation to guide our creative unfolding.

WHAT WILL WE DO?

In nourishing exploratory movement dives, we slow down, and transform through gentle breathing, primordial vocalizing, and engage a multi-faceted movement range that may be both wild and tender. We melt and restore in spacious Silence.

This retreat includes a "soul quest" time where we are in collective silence for a day and a half.

SUSAN HARPER has the ability through demonstration of sounds, breaths, and movement to transmit a primal and spiritual fluidity that inspires participation resulting in embodied innovative discoveries. She has been teaching and contributing to the development of Continuum since 1975. She and Emilie Conrad, founder of Continuum, co-founded the original Continuum Teacher Organization in 2000. She is a founding member of the current Continuum Teacher Association. Susan brought Continuum to Japan for the first time in 1997.
