

# SUSAN HARPER WITH REBECCA LAWSON MYSTERY DEPTHS RETREAT

FEBRUARY 27 - MARCH 4, 2020 RIGMOR HOUSE CHAPEL HILL, NC

This Mystery Depths retreat awaits those who love to inquire, who dare to listen at the edge and in the depths—to be in the frontier conversation—who are aware of the adventure of courting the unknown.

This week is devoted to practices of awakening, and courtship of the mystery.

Treat yourself to a luxurious time of moving, meditating, musing, and dancing in a self-regulating process that is nourishing, and organismically wise.

## WHAT WILL WE DO?

In nourishing exploratory movement dives, we slow down, and transform through gentle breathing, primordial vocalizing, and engage a multi-faceted movement range that may be both wild and tender. This retreat includes a "soul quest" time where we are in collective silence for two days. As we plumb the depths together, outworn skins shed, healing happens, and we emerge with a deepened and heightened sense of creativity and love. We melt and restore in spacious Silence.

**SUSAN HARPER** opens portals of exploratory consciousness. She has the ability through demonstration of sounds, breaths, and movement to transmit a primal and spiritual fluidity that inspires participation resulting in embodied innovative discoveries. She teaches internationally and has been contributing to Continuum since 1975. Hubert Godard, Lama Drimed, and Michael Meade inspire this theme. Continuum teacher, **REBECCA LAWSON** will teach and contribute in this retreat.
